Dear Miss Lougee

Thanks for the check.
There was no great hurry, that
you should have felt the necessity
of anticipating your father's return.
You certainly had quite an experience
on your way home, and I
think you were very well in
the use of stimulants - Anesti-
-sation might have cost you
a severe attack of pneumonia
or some such inflammatory
trouble.

I regret exceedingly the prolonged
illness of your mother - I trust
her recovery may be rapid and complete.

No doubt your presence at home
is a great comfort and relief to
her.

I had a letter from Mrs Mulford a
few days ago. She said she had
the pleasure of an occasional
letter from you.

Grippe and a congested lung
have given me a few days lay-up.

I shall be thankful if that is all
of it. I have a dread of lung
troubles.

Please remember me kindly to your
mother.

Sincerely yours

Chas. W. Selzer
