

your kind regards to the family of last night
I hope you have all had a
pleasant trip and enjoyed the
"griffon" - I think much of you
of the party and hope to see you
soon. I think you had a very
good time and hope you will
be back in London soon. I am
ever your affectionate friend,
as ever!

Will you give my kind best remembrance
to the children and the other family
I am ever your affectionate friend,
as ever!
