

THE PSI UPSILON FRATERNITY,
GAMMA CHAPTER
INCORPORATED,
AMHERST COLLEGE, AMHERST, MASS.

April 21st 1891.

Dear Bro Tongée:

It gives me pleasure as a member of the Banquet Committee to forward to you an invitation which has been entrusted to me and which we all hope you will be able to accept. The convention of Psi Upsilon will be held at Amherst on the 7th and 8th of May, the Banquet to be held in Springfield at the Glendower Hotel at 8 P. M. on the evening of the 8th. We earnestly hope that you may be present throughout the exercises of that occasion. But if you cannot favor us with that length of your time we hope that you may come to Springfield at least and mingle your words of Psi Upsilon enthusiasm with those of other speakers at the Banquet. Senator Hawley, Chief Justice Andrews, Genl. Gov. Hoar and Speaker Bart

are among those expected to respond to words
of their own choosing. May we not add your
name to our pastlist and will you not
put forth every effort to be present?

On account of the central location we are
looking forward to a gathering of special
enthusiasm and interest.

Hoping to hear from you favorably
I remain

Yours in the Diamond Glasp

Harry N. Gay.
