Dear Sir

I am one of the
most careful readers of
"Bystanders Remarks" and
should love to read all
of your works. I have
read "A Fool's Errand" and "Picks
Without Straw" but wish
all of your Books. I have
one question to ask.

Are you not a ~~great~~
lover of stories!

Please tell me where
I can buy your works.

Enclosed find Stamped
encl. for Reply
