My dear Judge Tourgée

I am glad to
have so good an account
from your invalids.

The sickness has
certainly interfered
with your plans, but
I hope not seriously.

We go to our farm
this week; we go every
year, usually a month
earlier; we will try
to induce you com-

portable, whether there or
in the city. Some time
ago I arranged to go
to the city of Mexico
with my family the
1st of September, but
that should not inter-
fere with any thing
we may wish to do,
as it is some time
before that now, and
I do not expect to
be very long away.

Very sincerely
H. H. Bancroft
