Hon. Albert Lougee

Dear Sir -

Seeing, by the paper that you are in town, I take the liberty of writing you, to inquire if it will not be possible for you to pay at least part of the money which was lent to you by Mr. Cross several years ago -

It was fifty dollars I think, and that, even without the interest would be very acceptable just now, as Mr. Cross has been out of business for a year, and we need all that is really ours -

Mr. Green is away in the South
or he would perhaps have
seen you himself —

Hoping for a reply to
my request — I am

Yours respectfully,

Effie M. Green
