Dear Sir,

Since the receipt of your favor of the 12th ult I have been looking to either see or hear from you relative to the new inventions you contemplate protecting.

I trust that your family have entirely recovered from the illness you mentioned, and that you are well.

I presume, as in past instances, we could attend to the matters very well by correspondence; if, however, you should conclude to come on here please advise me in advance in order that I may arrange to either be at my office when you call or arrange to call upon you. I make this request for the reason that I sometimes have engagements which prevent my being at my office.

Truly yours,

*Charles J. Gooch.*
