

PSI UPSILON.

Minneapolis, May 12, 1891.

Dear Brother :

The annual Banquet of the Northwestern Alumni Association of Psi Upsilon will be held on the evening of Friday, May 22d next, in Minneapolis, at the West Hotel at nine o'clock.

The event this year is of peculiar interest to every loyal son of our Fraternity, as, after many years, the petitioners of the University of Minnesota have been heard, and on the night of the 22d, at 7 o'clock, at the West Hotel, they will be installed a Chapter of Psi Upsilon.

At the happy finding by our new brethren of their long sought treasure, and at the feast of good things to come with it, every Psi U. should lend the inspiration of his presence.

Banquet tickets have been placed at \$3.00, covering all expenses.

Let us hear from you at once, stating your class and Chapter.

Come and

"Sing again the good old songs  
The mystic bond still bless;  
The diamond of Psi Upsilon  
Shall never sparkle less."

Yours fraternally,

THE ALUMNI ASSOCIATION.

HON. ISAAC ATWATER, Pres.

Edward A. Sumner,
