Dear Miss Bourge - Will you please let me  
know as soon as possible how you would  
like your white waist and whether  
I shall cut the single and ties or  
straight. I hope to reach them  
through next week, ~~but~~ rather  
than have them carelessly finished  
and then lost of following week.

F. B. Gratz, Jr.

Very truly yours,

E. K. Boyd.
