

PSI UPSILON ALUMNI ASSOCIATION
OF WESTERN NEW YORK.

ROCHESTER, N. Y., MAY 15, 1891.

DEAR BROTHER:

Our circular of March 30th, stating the need of a new Chapter House of Psi Upsilon for the Fraternity of Western New York, has already met with liberal responses. The Committee have options on three different sites,—one of which is on college property, facing the University,—any one of which can be secured the moment definite pledges are given.

It is of vital importance, then, that every brother shall put himself on record at the earliest possible moment, and we urge upon you the necessity of favoring us with a reply on receipt of this circular. The plan proposed,—of \$100 pledges, 25 per cent. in cash, and the balance in four equal annual payments,—has met with great approval, and we trust it will be equally commended by you, to the extent of your ability to contribute. Everything now awaits the action of our individual alumni, who we are confident will not be lacking in liberality and loyalty in strengthening the position of our already strong chapter.

It is proposed to hold a reunion of our Fraternity brothers at the approaching Commencement on June 8th, at which time we trust that all subscriptions will be on file with the Treasurer.

Will you oblige us by giving this matter your early and favorable attention?

THE COMMITTEE:
