Dear Sir: You will find enclosed invitation to the installation banquet of the new chapter of Psi Upsilon, at the University of Minnesota in this city, to occur on the 22nd inst. As this is an occasion of great interest to our fraternity and of even greater interest to the new chapter and the new men, may I ask you in behalf of the Committee, in case you cannot be with us in person on that evening, to write us a letter or a line of greeting that may be read on that occasion.

Very Respectfully
