Dear Judge,

Since reading your notes on
the Republican League commenced
some weeks ago at Cincinnati O.
I must confess that your notes
opened my eyes to a closer
scrutiny of the facts and ac-
tions of the League. I had
not read the resolution as
clearly as duty demanded
neither had I read and studied
the verbiage of Hon. J. S. Lockwood's
letter of address. I think
his letter timely and to the
point with possibly one or
two exceptions of which time
will not permit me to men-
tion, as they demand, you
are doing a great missionary
work in the Antiochian
and efforts should be
made to circulate that paper

in the South. For I am of
the opinion that, that Paper is
making a stronger fight
for human and Constitutional
rights than any other jour-
nal of its rank in America
and your articles on the various
topics of which you have from
time to time discussed is usually
a schooling to most all those
who read them. You carry a kind
of thought and reasoning
writing that no other man in
the world I know of, writes
apart. The N.Y. Times used
to be a hard hitter for
but it is now running like dis-
eased with a range of South
ern democracy and free trade,
and the Tribune has no soul,
you should some time
when it suits you write us

article on the Rowwood
brief of the Leading Republican
Papers of America, for it is a fact
that the newspapers are very great
potent factors in moulding and
shaping the Political Sentiments
of the People, and it is Sentiments
that makes our Legislature
and a senator and a senator
for little good can do much
to words stirring up the mil-
lions to do Patriotic duty
for their Country -
May God's grace rest and
abide you for many long useful
years to stand up and fight
the fight of your Land
and Country
