ALDICE G. WARREN,
ROCHESTER, N.Y.
907 WILDER BUILDING.

June 5th, 1891.

Hon. Albion W. Tourgee,
Mayville, N. Y.

Dear Sir:--

I fear that the programme, which I enclosed to you may have dematerialized. I will try this time to see if another, which I promise to enclose will reach you. I hope that you will be able to be here the evening before the alumni proceedings, and hear the address of Hon. St Clair Mc Kelway before the Phi Beta Kappa. We are very glad indeed to learn that you will be with us.

Very truly yours,

Secretary.
