NEW YORK, June 15 1887

Dear Mr. Foyce

I was surprised to
get your letter from Mayville, sup-
plying you all to be basking in
the sun on the Pacific Slope;
and to learn that it was your
illness that prevented the pleas-
ant plan from being carried
out was most disappointing.
However I am glad you are
far enough on the up-grade
to be writing again: only, don't
do too much of it, for hot work
is not strengthening.

Yet I saw the Announ-
cement of the Philadelphia Foot
race, and was delighted. There
is some satisfaction in doing
good work when it is appreciated.
When the very lady comes to the
word, I hope we shall see

other. My chief wish about it is that if you '32 should
return for \$100; I think it would be better
if it were to be "at home" for good!

Something of her. We shall be
"at home" again next winter, if
no unexpected obstacle arises
and after a year's boarding it
is pleasant prospect. Mrs
Howard is quite well for her,
just now - much better than last
year. I'm glad to say; she and
the children go on Wednesday
up to Massachusetts for the
summer.

Henry is not married, but
"likes to be" in the fall. The "J.
Henry Co." of San Francisco, Cal.,
allied to the "J. Henry Prob. Co."
of N.Y., his concern, had a
bad slip up last month, and
it may result for him in a
delay in his plans. But I hope
not; it's time he was "married"
out of this troublesome world.

There isn't much to be
said about "Eastman" except that
we are on the 4th thousand &
it is jogging along. Mr. Bullent
is trying some agents on it with
fair success. We are advertising
it all the time in one way or another.
