of

D.L. Russell

WILMINGTON, N. C. June 16, 1891

Dear Madame:-

Be assured that I was delighted to receive the letter which you enclosed from the Judge and that it is highly appreciated. I propose to write him quite a long letter and request that you will apprise him of the approaching infliction. There are several things I want to say and some things I want to tell.

Mrs. Russell sends her regards.

Very respectfully,

D. L. Russell
