FURNISHED TO PUBLISHERS.

Meadville, Pa. June 20, 1891.

Hon. Albion W. Tourgee,

Mayville, N. Y.

Dear Sir;-

About August 1st we will issue the first number of a semi-monthly journal for literary folk. We intend to have eminent men of letters as its contributors and make it a superior publication.

We will pay you \$40.00 for an article to contain not less than three thousand words - payment to be made on publication. We will leave the choice of subject to you but wish it to be one that will be of interest and help to writers in general. It must reach us by July 10th.

Kindly give this your attention.

Yours respectfully,

(Dictated.)
