Dear Cousin -

Yrs 13th - with etc for the flag is real, Thanks. I delayed
writing you hoping that I could send you some money, but I
just can't do it now - Have a note tomorrow that will make my
bank of look sick - The fact money that I can probably spare I
will send you to help pay the expense on the Fleming matter -
which I regret more than I can tell you. You probably know that
it is not Fleming - but his lawyers who are making the trouble.
I am glad to say that wife shows some improvement, but she has
had a hard time - & we have had no end of expense Dr. Bell &
had to buy a mechanical battery that took some money but it was her good.
yours truly
Wm. D. Nixon
