Hon. Albion W. Tourgee,  
Mayville, N. Y.

My Dear Sir:--Your very kind favor is received. I thank you very much for your suggestions, and for the kind offer of Mrs. Tourgee to read the manuscript in question, which I send to you by express to-day pre paid.

I am aware that it will be necessary for Mr. Rishell to go over this manuscript and polish it up in many places, if the same is published. If you or Mrs. Tourgee think the book will sell for enough to cover expenses of publishing, or that it is worth publishing, I will have Mr. Rishell put it in as good shape as possible.

I have been requested to be a candidate for lay delegate to the next General Conference; but if you are willing to present yourself as delegate I will very gladly turn in my name for you, which would be Clarion District, about solid. Will you consent to that?

Very respectfully yours,

N. T. Arnold
