

Pollock and Co.

Yours of <sup>note</sup> 29 June first  
 received. There seems to be a mutual  
 misunderstanding. I desired the  
 drawings returned ~~only~~ in case  
 it was absolutely necessary to  
~~send~~ duplicate to the Adm:  
 Adm: agency.

However if you like the idea  
 and wish me to return these  
 drawings with the ~~drawings~~ <sup>return</sup> for  
 you have not seen, and ~~the~~ <sup>they</sup>  
 accompanying script, I will  
 do so. Respy. A.L.J.
