

Hobbs & Co. Inc.

Your copy
of the 26th inst. — suggesting
that I send duplicate of
my design to, submitted
as advertising matter for
Kedge & Food, — to Todd's
Advertising Agency Co. — is
re'd. —

I could not duplicate
the matter as I ~~have~~ did
not retain sufficient data
to do so. I complied explic-
itly with your advised in-
struction, and if it is con-
sidered necessary to do so, I
wish you to immediately re-

turn the matter over
you, and I will with-
draw from the compe-
tition. My idea is too
valuable to waste time
over it and I have other
plans for it which may
be more profitable for
me than to submit to their
unlooked for labor &
delays. —
