Wm. Vernon Jones

Sept 19/21

To Hon. Judge Furgur.

Your note of the 16th inst
came duly to hand and thank
you for your civil reply.

I only wanted you to get the
one "Newspaper clip" I sent you
on "Christa Corning" published
knowing that you was a man
of influence in the world's vision
with the press.

I again notice your "By Standers
Notes" in the Saturday Sept 19th issue
of the Intermountain arej. I also
note the Daily News arej have
been on the watch for
25 years now. observing the Over

"Signs of the Times" - the end
of the modern Gospel Apostasy
for the past 18 centuries

I herewith include you another
prediction, and, hope you
will read it & give me
your judgment on them. I
have some very scientific
evidents and some noble men
and women who see the
Apostate Churches as I do.

If you want to know how
I attain to this spiritual
elevation in the Divine Realm
of wisdom please read 1st John
2: 27. Verse & 2: Chapter of Revelations.
26. 27. & 28 verses. Send me your book
and I will read it - if you like it
I'll send you a copy with kind regards
