Dear Sir

Wm. Dodge

May God,
Ever remember me like
you & may your knees knock
over in prayer night & day
and may the angels
sing through the gates
of rest thro' to carry
with you good in reward
you have to long for
and may God be a soft-
Dying Pillor when you
called you Please excuse
back I remember as the wife
was my dear before the war
again God bless you
and may you be returned

Above Oh God, if you
+ Brother Hayward was
in this Council
~~God~~ God by Vindication
may God hold his name on
your honest heart
