Dear Sir
Books 15 Inter
Ocean's are taken in this place
and as soon as my business will
afford leisure will send as many
names as I can obtain.

Have cut
out your articles of Oct 17-
24-31 and Nov 7 pasted them
in a Book which I will circulate
and in due time will be
heard from.

You are at liberty

to draw on me for \$5.00 when
you are disposed - wish I could
make it \$500.00

Yours Truly
