Judge Abner N. Souders,
Mcville, P. O.
N. Y.

Sir, Would you be kind enough to let

me know what is the price of the following books; & when I can get them?

Viz - 1 - Who wrote the Bible -

2 - The life of John Brown, by Redpath -

3 - Rev. Calvin Fairbanks' book, entitled "How the way was prepared, &c"
Excuse the liberty that I am taking, but, down South we cannot have such works. I, & my wife are very anxious to have these works. Do you have the "By stander's Notes," collected & bound? If you do? - Please let me know also its price? Now Judge, I know how colossal is your correspondence, but for God sake! don't neglect my request, because I must have those three books, & your notes if they are in pamphlet or book form.
