Mrs. E. K. Tourgee,

Mayville, N. Y.

Dear Madam:--

I found the copy of "A Son of Old Harry" on my desk on my return from my vacation. I took it home and the family will give it consideration at an early day. Every book of the Judge's that comes into our family calls out the thanks not only of myself, but of Mrs. Busbey and the children. Did you see the editorial in The Inter Ocean calling attention to "Pactolus Prime"?

Very Sincerely,

Wm A Busbey
Managing Editor.
