"SPEAKERSHIP"

—OF—

THE UPPER HOUSE.

"And He shall send His messengers with a great sound of a trumpet and *they* shall gather together His elect from the four winds—ruling elements—from one end of Heaven to the other." "Heaven and Earth—The present apostate church and state craft powers shall pass away but my words shall not pass away."

Now, "by inspiration" we are able to show the deep figurative language of the Bible. The present fallen world is the Adamic structure under "the law of sin (disease) and death." This is the "Lower House." But the new era to be ushered in is the Upper House, "The Holy City" of Rev. 21:1-5, and the ushers in of this House are the overcomers with "the Morning Star" in them. Rev. 2:26, 27, 28. They, through great tribulation, have entered into that rest that remaineth for the people of God, or in other words, the spirit of the apostles are reincarnate in them, and of course this will bring into this fallen Adamic structure the *Holy Ghost* as a *basis* instead of human educated clandestine ministry described in 2 Cor. 11:13-16, and Jeremiah 23 chapter. The Heads of which are described in Micah 3:6-12. The "night unto you" referred to here is this night of the world's spiritual darkness and death. The Gentile Gospel Apostasy of the past 18 centuries. The so-called "church" got off its base—authority of the Holy Ghost—right between the preaching of the last apostle of Christ and the development of the Council of Nice, 325 A. D. Here the then ruling elements stopped and quarrelled over the nature and divinity of Christ instead of going on in a spiritual experience of the Holy Ghost. The Roman Catholics sent out spies or "inquisitors," condemned, tortured and burned at the stake all the perpetuators of the apostolic religion and got the supremacy

over the "waters"—"peoples." This is what is meant by the treading under foot the Holy City, in the Revelations, so then the present ruling powers under the law of sin and death must give way to the Holy City or Millennial Dispensation, which is coming down from God out of Heaven in the overcovers. This is "Christ's second coming, to judgment," referred to in Mat. 24 chap. When he shall come to be glorified in His saints. 2 Thess. 1:10-12. And the overcoming saints shall and are judging the world. 1 Cor. 6:1-6. When Christ went away he sent his immediate and after-coming disciples "another comforter." But now in the end of the world—end of human dictation, through civil and ecclesiastical legislative bodies—sin and death rule—He sends the overcomers the MORNING STAR of the Millennial dispensation, and all such are called the bride of Christ, which has come upon the world as a thief in the night." But these theologically learned priest crafts teach their dupes that a theological seminary is a bigger institution than Almighty God. God has laid down the "rule of faith and practice" through Christ's written words in St. John 14, 15 and 16 chapters, and 1 John 2:27. So, then, these sectarian leaders are climbing up some other way—"hid the key of knowledge," entered not in themselves and hindered millions of others from entering. We don't "enter the kingdom" through sectarian priestcraftisms, but "through great tribulation we enter the kingdom." "The spirit and the Bride say come out of her"—spiritual and political Babylon—Oh! ye my people.

So the true teachers of the Upper House are here to teach harmony and unity in God's House instead of discord and divisions.
