

OFFICE OF THE NEW YORK LEDGER,

P. O. BOX 3263.

COR. SPRUOE & WILLIAM STS.

New York, Dec. 4, 1891

(Dictated by J. E.)

Mrs. ALBION W. Young's,
Mayville,
N. Y.

Dear Madam:

As we have not heard from you in answer to our recent letter we deem that our offer of \$100 (10) per cent on our receipts from the sale of the English edition of "A Son of Old Harry" will be satisfactory to you. We have furnished you with ten copies of the book to sample the binding.

Will you have an objection to the book being printed in England in paper covers immediately? Your contract with us postpones the publishing of the book in paper covers for six months, and we do not wish to have it brought out ahead unless you are willing that it should be. We do not think it will meet the sale here at all.

Yours very truly,

Robert Barrill's Sons.
