My dear Sir,

Thanks for your kind invitation to call on you, during your short visit to our city. - I am pretty closely confined to an office through the day, ~~and~~ rarely leave home in the evening, and cannot well call tomorrow. Thursday, if nothing unforeseen prevents, I will go to the Grand Pacific about half past twelve, (since you suggest my naming an hour) and hope to have the pleasure, at least, of shaking hands with you.

Yours very truly

E. L. Sewall
