My dear Judge George,

I thank you
very sincerely for
your letter, and I
am glad to find some
one who is not too
subtle to cherish old-
fashioned virtues — or
what were called virtues
in old-fashioned times.
Amid many reproaches

It heartens me to
hear a word of sympa-
thy, and to know that
I am not the only
outcast from the
inexorable path of
progress.

Very gratefully yours
Agnes Repplier
