AMERICAN EXPRESS COMPANY,

A. W. Furgerson  
Dear Sir

Woodstock, Ill., Dec 18 1891

Now can I obtain three  
or four complete copies of Bayard's  
Notes bearing on the "Citizens right" issue  
from the first issue — If I had  
them would put them in books  
& send where names of members  
can be secured — I enclose  
letter from J. W. Moore a colored man  
in our main office at Chicago

to whom I sent book with clipping  
from Latin Ocean on the subject &  
When that book is returned I  
will so hold it up in the committee  
as to secure a good list of names.

Now can it be achieved when  
the subject is so masterly presented  
by you and submitted to the judgment  
of the people —

Yours truly  
J. A. Wolfe

Have hereto for written  
this order claim for a complete  
copy of these notes. I  
could not get them.

Will now write for  
five copies (at local) of the  
new issue and hope to  
set these numbers —
