

Beloit - @ Dec 23<sup>rd</sup> - 91

My dear Younger - I trust

You - yes - well  
just now all of us together  
wish all of You a Right

Merry Christmas

This blessed Day

"When in the Presence of the Virgin  
Christ - was born we as people see"

For new years greeting in the  
words of our dear Mother

"So may the world your young and smiling  
To us the new year's greeting

With double plenty over the loom in

To thee & thine  
domestic peace & comforts crowning  
The New Year's

Your ever

John C. Furtz

P.S. If you'd just say you was well  
it - would save my stomach & thus in  
the course of things finally reach heart & Brain
