Waterville, Kan., 12/25th 1891

Dear Sir I return you the Paper
sent me more than a month ago
Enclosed please find 100 Dollar &
stamps for the only names I have

Element think they have done enough &
others are afraid there is money behind
it or that it will trouble them in
some way or other

I now return it with my hearty approval
feeling something should be done
hoping this may just the right
thing

I remain your
