Mr A. W. Towgel

Dear Sir

No doubt you think  
strange at not hearing  
from me before now

But I was sick when  
you sent the Paper and  
have been ever since

I sent the Paper to the  
Post Master with the request  
he ask every one to sign  
it. I sent him Ward

yesterday to send it down  
it came without a signer.

I am sorry to say I cant  
go with it my self as  
I am confined to the house  
most all the time from

Injuries received in the  
Army & hope you are  
having better success with  
others than you have with  
me yours Truly
