Mr. Abbron H. Touge.

Dear Sir:-

Several weeks ago we saw notices in our local papers that you were to visit this coast. We have anxiously awaited your arrival. Perhaps you may be one of the party who will come West with the International League of Press Clubs. It is our purpose to entertain the delegates to the Convention to be held in June and should you be with them we trust to have the pleasure of meeting you. Our Association had anticipated, as was stated in papers, a long sojourn by you, of your wife and daughter with an opportunity of cultivating more of an acquaintance than a flying trip such as will be made by the Press League would permit.

To have you with us at one of our meetings and to entertain you would

be an honor to give us much pleasure.
Wishing you many blessings
for the New Year. Believe me

Very cordially
Alice Carey Waterman
