

Gov. W. L. Lable

Dear Sir: I send you  
Circulars of the National Citi-  
zens Rights Association  
and also a Membership  
certificate. It is the first  
one yet granted without  
the written application of  
the individual, but believing  
that I know your heart  
I send this without ~~that~~  
~~form~~ waiting for your  
application.

I suppose you  
have not heard of  
it before. The first certifi-  
cate of Membership was  
issued three weeks ago.  
Now there are 10,000 mem-  
bers and names coming  
in by the hundred every  
day. I don't understand

it but merely state the  
fact. It seems to be God's  
work.

We are to re-examine  
the Administration Council  
soon and I would be  
glad to nominate you  
as one of its members  
if ~~the same~~ <sup>such a person</sup> would be  
acceptable to you.

There is little to do and  
will not be until the work  
of sewing members becomes  
secondary. Then there will  
probably be some im-  
portant questions to  
decide — on rather  
to promulgate.

Yours truly  
James Conroy
