

A.W .T. PAPERS Jan 1892

## BETHEL LITERARY AND HISTORICAL ASSOCIATION.

WASHINGTON, D. C., *January 1, 1892.*

THE OFFICERS AND MEMBERS of the Advisory Board have the honor of inviting your attention to the annexed schedule containing a list of the speakers with their subjects for the months of January, February, and March, 1892. The board aims now, as it has ever done during its ten years existence, to have an arena where the best thought and most practical information can be disseminated for the public good. To a large extent we feel that our efforts in this line have not been in vain. The Literary is not narrowed by any sectarian creeds or partisan politics, but it has shown itself to be broad and liberal, seeking only to pay tribute to history, art, science, and literature. The board solicits the hearty co-operation of every man and woman who endorses mental advancement, so that it may be known far and wide that there is an Association at the National Capital that freely opens its doors to all reputable persons who may choose to enter its halls and enjoy the benefits of a literary evening. The meetings are held at the METROPOLITAN A. M. E. CHURCH, M Street, between 15th and 16th Streets, N. W., every Tuesday at eight o'clock p. m. during the session, and you are cordially invited to be present.
