Dr Surge; -

I don't know when you are
If I did would send you that 25⁰⁰ /
by this letter.

But suppose you draw for it when
you go down to Buffalo or to your Bank.

Draw ~~will~~ without protest and tell them
to direct Bank here
to hold Draft till I pay it.

Of course we get beat. Souths Reps
are not eligible to important places.

- Wish Mrs J and daughter would come
down to see us and stay a while
out of the cold. You might ^{come} along
provided you forward bond and surety
for good behavior. How is the cold?

Truly
P L Russell
