Judge Albion W. Tourge,
Mayville, N.Y.

My Dear Sir:

If not asking too much, or intruding upon your most valuable time & patience, may I beg of you as a favor, both to myself and the Courier, of which I am Asso. Editor; for a copy of a book of which you are the Author entitled: "Sticks of Strain."

Of course, we are all poor and would readily remit the cash, but you know yourself my dear Sir, that the pack of a colored newspaper editor is not strewn with roses, financially or otherwise.

Dr. Gilbert, our ed. in chief, has your letter in reference to the Lyndings Etc. in this state for the year of 1891. - it will receive his personal attention.

Hoping to hear from you at an early date, I remain your obedient servant,

T. T. Harden, Asso. Ed. So. Courier,
Jacksonville, Fla.
