Dear Mrs. Inrgu

I shall be glad  
to do any shopping you  
wish me to and hope I  
may be able to please you  
which kind of fur do  
you prefer should there  
be a choice for the price  
you state and if they should  
be a trifle over the \$25- I

suppose you would be  
willing to pay it if I  
think the fur reasonable  
then again, which is the  
first choice, a Cape or  
the snuff & bands You know  
Marten, Monkey & Persian Lamb  
are all fashionable, then in the  
light furs are Beaver, Otter, Badger  
Morpho, etc etc. Sable, is of  
course, very pretty and I believe  
quite expensive but I will  
await your reply and will  
then go immediately to do

my best. Hoping  
you are all well and  
with kind remembrance  
to Miss Gurgel with  
many thanks for your  
kind wishes to myself  
I am

Yours very resp<sup>y</sup>
