My Dear Sir -
 I am very sorry
 the enclosed petition has been
 unintentionally delayed - Being called
 away on business just as the
 petⁿ was ready to mail and being
 anxious for it to go by that days
 mail I asked my son to mail it
 he said he would but being busy
 at the time he forgot it until it
 came to his mind he had not mailed
 it and so informed me I went to
 the draw and there it was -
 I am sorry the list is so short
 but they are all True Blue and
 several of them good workers. Please
 send list to all there are more good
 names here yet. Hoping that we may
 succeed in securing equal right.
 I remain Yours &c
 H. Collett
