Dear Mrs. Tourgee:-

I am in receipt of yours of the 14th with check \$75 to pay interest on the McKensie mortgage from April 16th to July 16th, and have endorsed the amount on the bond as requested.

I saw the Judge and your daughter here Saturday night, and learned from them of the illness of your sister. I am very sorry to know it will be necessary for you to take her to New York, but hope that she may find relief there.

With kind regards to yourself and family,
I am

Sincerely yours,
