Dear Mrs. Lorange

I thank you sincerely for the
new evidence of your friendship -
"The Putting with the Queen of Hearts." I shall
enjoy it all over again in its exquisite new
dress (with my own Queen of Hearts) next Sunday,
& then I shall have something to say about it.
What a rare combination of talent you have in your
good family. To the King, Queen & Princess my most
sincere regards. Also always your most truly
A. O. Bunnell
