Hon. A. W. Tongue
Mayville, N.Y.

Dear Sir:

How soon could you furnish us with copy for the main part of your book. We can go at it and rush it as soon as we can have the copy, and work it in with the table work.

Would it be possible to keep us with the enclosed this week? We dislike to bother you, but some heavy paywages this week with slow collections make it look a little blue for us. Yours very truly,
S. McGerald & Sons
