Dear Sir

I send you by
today's Mail a copy of the
Atlanta Constitution dated
Oct. 15th 94 in which Bill
Up (Major Smith) an ex-
Rebel speaks the true senti-
ment of the South which
shows the spirit of rebellion
lives in the breast of the
average Southern Democrat
to day. and only needs a little
fanning to bring it to a flame
all they ask is to be let alone so
it was when they succeeded

your friend
