Dear Sir:

We are anxious to obtain a few striking illustrations on the subject of the Ku Klux Klan to be used in some historical articles covering the last quarter of a century which we have in preparation.

It seems to be by no means an easy matter to obtain such pictures, and I shall be greatly obliged to you for any information or suggestions you may be able to give me.

Our aim is not so much a mass  
of picture-matter as a few really  
choice photographs or materials  
for "makeup" drawings.

I am, my dear Sir,

Very truly yours
