Judge A.W. Tourgee,

Mayville, N.Y.

Dear Sir:--

In reply to your favor of the 5th inst. we would say that we have figured carefully according to the estimates which you furnished, as follows: On the size of the "Continent" the paper of Super-calendared stock, and of the same weight--a trifle heavier possibly, sixteen pages and a cover of good weight. The composition to be briefer, the same as in the "Continent". We have figured on the stock, the composition, the press-work, the same items also on the cover, the binding, the entire mailing, and the postage, and find the cost to be, on 5,000 copies a week, \$140.00, and on 10,000 copies a week, \$225.00.

We are hurrying the Table work on your book and will send you all the page proofs as you ask, shortly, also some more fresh proof,

Yours very truly,

*J. McGerald & Sons*
