Judge Albion W. Tourgee,
Mayville, N.Y.

Dear Judge:

I notice from the Buffalo papers that you contemplate going into the newspaper business again. I am very glad to hear of this and I wish you all the success that surely will be yours.

The name of the new paper, "Basis" is very good, and the field that you intend to cover is certainly an inexhaustable one.

I desire to inform you that I am connected with one of the best engraving houses in the country, whose facilities are unequalled; whose artists have just the ability I know you desire.

Why not send me some of your manuscript, and allow me to illustrate and make the engravings for same.

Awaiting you, I am,

Yours truly,

John H. Brown
