Mr. Albion W. Tourgee,

Dear Sir:

We mail you copy of The Christian Citizen, the only paper of
its kind. Will guarantee 10,000 issue (and show proof) to enthus-
iastic friends of good government. We have no advertising agent, and
if you will send copy or cut quickly, can put in next issue, and will
give you 40 per cent off (6 cents agate line net). Will put our own
advertising on another page to give you a good showing. Note charac-
