ALBION W. TOURGEE, Editor.

S. McGERALD & SONS, PUBLISHERS,  
457-459 WASHINGTON STREET,

BUFFALO, N. Y. March 27th, 1895.

Hon. A. W. Tourgee,

Mayville, N. Y.

Dear Judge:--

In regard to the photograph you want reproduced I have seen the Matthews-Northrup Co., and the Buffalo EL. & Eng. Co. The former will charge \$4.00 and the latter \$2.00. I enclose ~~some~~ samples of the Buff. El. & Eng Co.'s work. We have our work done there and do not think that there is the difference that the Matthews-Northrup Co., <sup>change</sup> though of course their work is very excellent.

We will have one of the initials reduced to 2 1-2 in. and send you a proof. Have mailed you to-day 100 copies of Basis. The same number have also been sent to Mr. Martinet. Your orders for yearlies with receipts were sent this morning. I saw Mr Carey and he will think the matter over and see you when you come up.

Your scheme for keeping the books is as simple as could be devised. There are one or two things about it which I can ask you when you come up.

Sincerely yours,

*A. W. Tourgee*
