Dear Sir

The Pattern if
made to work without
core boxes would cost
from \$5 to \$6. ~~without~~
with core boxes \$8 to \$9
We think they can be
made without core boxes
by modifying the shape
somewhat. The castings
can be made cheaper
by not using cores
We can only tell by
personal consultation
with you as to how they
over

are to fit together or
how they fit something
else

Yours truly
Paul J. Nichols Paul J. Nichols
